

Phase 2 COVID-19 Policy

Protect Yourself and Others

Staying healthy

Check your symptoms before coming on campus.

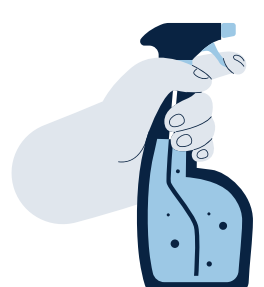

Wear a mask at all times that comfortably covers your mouth and nose.

Avoid touching your face and the front of your mask.

Clean hands at the door and **wash hourly** while on-site.

Disinfect lab and office surfaces upon arrival, just before departure, and hourly in between.

Social Distancing

Stay six feet apart **at all times**.

One person at a time in elevators and bathrooms.

Don't linger or congregate in **hallways or common areas**.

Lab personnel should not exceed 50% capacity during **Phase 2 operation**.

Check **maximum occupancy** before entering a room.

Stay home if...

- You are **feeling sick**.
- You are in a high risk group or are **immunocompromised**.
- You just traveled **out-of-state**.

Contact your supervisor and/or reach out to the SWELL committee with any questions, concerns, or to report failures to comply with COVID-related policy.
